Financial Markets Practitioner (117238) EISA Postponement

To whom it may concern,

This letter serves to confirm the postponement of the External Integrated Summative Assessment (EISA) for the Occupational Certificate: Financial Markets Practitioner (117238) that was originally scheduled for 14 and 15 March 2022.

The examination venues have changed at short notice, resulting in a delay in the assessment site accreditation process. In order to ensure that no learner is disadvantaged by this, the South African Institute of Stockbrokers (SAIS) has, in consultation with the Quality Council of Trades and Occupations (QCTO), elected to **postpone the EISA to September 2022**.

The exact dates and exam venue addresses will be confirmed and communicated in due course.

We apologise for any inconvenience caused and appreciate your understanding in this matter.

Kind regards
